

To My Dear Patients and Friends,

I have received great personal reward from dentistry over the last 20 years, however the time has come for me to retire from my dental practice and concentrate on enjoying life with my family. It has been my singular honor and privilege to be your dentist, and I have sincerely appreciated your confidence and trust by allowing me to care for your dental health.

Most of you have met Dr. David Matney whom I found after a long and careful search. I feel I chose the right dentist who purchased my dental practice, in November 2018. Dr. David Matney, is originally from Newport News, Virginia. He earned his Dental Degree from the Virginia Commonwealth University/Medical College of Virginia School of Dentistry and received his Bachelor of Arts/Economics from the University of North Carolina, Chapel Hill. His enthusiastic and caring manner are closely aligned with my philosophy of care. With his experience and education I assure you that excellent dental care will continue. Like me, he loves dentistry and he is excited to meet those of you he has not seen yet and continue serving your dental needs.

While the announcement of my retirement may have come suddenly, I am committed to facilitating a smooth transition for Dr. Matney . Dr. Matney has been running the practice for more than a year now. He and I have worked hard behind the scenes to make this transition seamless, and having the confidence in my successor has made it that much easier. All the staff will continue in their jobs working with Dr. Matney. I know you will continue to be pleased with Dr. Matney and that you will extend him the same courtesy and loyalty that you have afforded me over these many years.

Thank you again for your trust, confidence and friendship!
